

## My trip to England

### Monday :

We took the plane to go to Manchester's International Airport. Two hours later, we were in England ! Then, we took the bus to do a little bit shopping next to the airport. It was a very nice day !

### Tuesday :

We visited the Liverpool Football Club and it was very interesting. We went just next to the grass on the stade (so close) ! We were allowed to go in the cloakrooms (so magical and intense) !

### Wednesday :

This day, we visited a castle of Wales, it's Caernarfon Castle. It was very big to visit (my legs said that) but the heritage and the history of the castle is always there.

### Thursday :

Then, we visited the Chester's Cathedral. It was very big and interesting. At the same time, there was a ceremony because it was the Saint Georges Day. There were lots of students.

### Friday :

We visited the Imperial War Museum North. I was very impressed of the view. We can see the city.
